On Tuesday June 24, we held a BFS Docent Orientation Program for 7 Docents. The Program included a power-point presentation, tour of the Grounds and Farrand Wing and a luncheon for discussion. Included in the education was initial information on Beatris Farrand's Print collection as demonstrated by the new exhibition of the Milliken Family gift of 40 Farrand Prints.

On June 21st, two visitors were given a Docent-led Tour of the Farm.
