

Beatrix Farrand Society
Board of Directors Class of 2012
June 26, 2012

Dear Board Members,

As a member of the BFS "Class of 2012" it is time to make that decision as to whether or not to toss my hat into the ring for the opportunity to serve on the Beatrix Farrand Society Board of Directors another three years. After a great deal of consideration and carefully weighing the "pros and cons", I've decided it is time to step down and make way for a new member on the Board with fresh ideas.

It has been a very active three years for me with Beatrix Farrand Society Board as well as with the Master Gardener Project to restore the Terrace Garden (2007 - 2011). Looking back over what has been accomplished is very satisfying. This past year as First Vice President has also been very active and, with Tom McIntyre as the new Grounds Manager and Kathy VanGorder now taking charge of the Terrace Garden, improvements to the grounds and garden continue.

I will remain in my current position as BFS First Vice President, working with the Grounds Manager and Gardener until the August Board meeting when the Nominating Committee fills my positions.

It has been a pleasure to make these contributions to the restoration of Garland Farm.

Sincerely,
Carolyn Hollenbeck
Beatrix Farrand Society
First Vice President
