

Spring 2016 Docent Report

FROM: Emily Fuchs, Docent Chair

On Thursday 4/28, Jim and I met with Paula Moody, Open Day Chair, and new Docent Sandra Irwin for 2016 Docent Orientation with a display of Beatrix Farrand's personal effects. We reviewed power-point program highlights (the projector had not been set up yet in the Education Barn due to exceptional cold weather). Jim promised Paula he would provide a thumb drive of the slide collection for her use with docents and visitors.
