

Volunteer Committee Report    May 26, 2012

2011 was a very good year for volunteer commitment and participation. 33 volunteers gave 3583 hours to BFS, a very generous contribution and impressive indication of interest and dedication to the organization.

Shirley Beccue has put the Volunteer Hours Recording Sheets online so they can be filled out and then sent to me as an attachment by email. After talking with our accountant, the new due date this year for the hours to be given to me is October 31, 2012. I will send a reminder but please put it on your calendar. These hours make a difference. A new requirement is the “professional” title for the volunteer work, ie horticulture, archives, programs, architecture, finance, etc. This allows a dollar amount to be applied to the hours which the accountant has a chart for.

There are Volunteers for Open Garden Day, Library, Gardens, Office and other areas of interest which benefits BFS greatly. It is now an established Committee that is working very well.

Brenda Les    Chairman  
Volunteer Committee
