

## **Beatrix Farrand Society Vice President's Report**

August 2, 2014

The initial demonstration of the prototype digital resource created by History IT occurred on July 18th, as planned. Here is the link to the prototype, <http://foih.archivestree.com> to give you a sense of what the future could hold for the members of the Friends of Island History collaboration.

Eagle Arboriculture completed the committed tree work on July 22nd.
