

Nominating Committee

October 6, 2015

Since our August annual meeting, we have two very strong candidates that have agreed to join the BFS board effective immediately upon ratification by the board. They are Gerd M. Grace and Maureen Ackerman. Gerd will personally attend the Oct. board meeting, but Maureen would like to attend via conference call. Gerd has accepted the position of Chair of Nominating as well. Additional information about these two wonderful woman, who I know will be great additions to the board, will have to come at a later time.
